- Harry Cozens (HC) - DLU has been a successful service over the last year will there be opportunities for apprenticeships and an expansion of the service? Hayley Selway (HS) explained that the DLU was originally set up to improve customer service and from the statistics received tenants are happy with the service. There is an appetite to expand the service and provide apprenticeships but there is still work to be done in relations to costs before this can happen. HC advised that the Welsh Office are promoting apprenticeships for SME is this something Taff will participate in? HS advised that the organisation will participate in the Apprenticeship Levy which will provide opportunities to train individuals.
- Mary Hayes queried if the pension issue that was advertised on the news today would affect Taff in any way? It was advised that the issue raised related to Public Sector organisations only and would not affect Taff.

17.07 Election of Board Members

The Chair handed over to EB to carry out the elections.

EB explained the two parts to the Board Member election process:

Firstly, that there were two vacancies for Tenant Board Members, one as a result of routine retirement, one as a result of the resignation earlier in the year.

EB stated that there was one candidate (Keith Abdi) for the two places, and confirmed that under Rule D11.4, if the number of candidates is the same as the number of vacancies, the Chair may declare the candidates duly elected.

The Chair confirmed that Keith Abdi was duly elected.

EB moved to the second part, the election of Ordinary Board Members explaining that:

- There were **4** scheduled retirements of Ordinary members. Members that were required to step down after each 3 year term, and after a maximum of 9 years, unless there is a business case for continuation, Jane Pagler and Rod Perons have both served more than 9 years, and have both decided to step down after tonight. Both have been instrumental in making Taff the strong organisation it is today, and the Chair formally thanked both Rod and Jane for their contribution to Taff
